

Glass Recycling Tips:

Primarily any food and beverages packaged in glass are recyclable-pickle jars, beer/wine bottles, baby food jars, etc.)

- All glass colors accepted
- Remove plastic or metal lids from containers
- No need to remove labels
- Give items a quick rinse (they don't have to be perfectly clean though)
- Bring all bags and boxes with you

Items **NOT** accepted: dishware, ceramics, windows, light bulbs, and porcelain

Target Stores also accept small quantities of glass

Keep Omaha Beautiful has also cooperated with the city of Omaha, Ripple glass, the Nebraska Recycling Council, and the Nebraska Environmental Trust to provide glass recycling bins at:

Why can't glass be placed in your curbside recycling bin? Glass breaks and the shards contaminate other valuable recyclables such as paper and cardboard. It's also dangerous to workers who handle and sort recyclables. Consequently, glass needs to be collected separately to be recycled. Curbside recycling of glass would require additional trucks for separate collection, causing many challenges.
